Blink-182

13 miles down the road theres a young boy
Hes got jack black hair and blue-green eyes and hes mine
And every now and then he and I will sit together on my porch
And I take off his and I fuck him from behind
And I love him for his heart and soul
And I love his wrinkles road up to
So if you see us passing by and starts rarry any day
Take a look at the young boy and his naked
