

Boxing Day

Blink-182

Let's get started the faint and broken hearted
Hold up I got something I cannot hide
Worse pain killer than all in filler
The part and departed look in my eyes

It's sad how far you ran
I'll search this land up through the clouds
Then back here
We could reignite, like fireflies
Like an atom bomb at all hours

I'm empty like the day after Christmas
Swept beneath the wave of your goodbye
You left me on the day after Christmas
There's nothing left to say, and so
Goodnight

I will follow the trail to tomorrow
With my loneliness with sorrow
All through the night
Sons and daughters
Mothers and their fathers
Cross the bridges and the waters
For bruise left behind

It's sad how far you ran
I'll search this land up through the clouds
Then back here
We could reignite, like fireflies
Like an atom bomb at all hours

I'm empty like the day after Christmas
Swept beneath the wave of your goodbye
You left me on the day after Christmas
There's nothing left to say, and so
Goodnight

I'm empty like the day after Christmas
Swept beneath the wave of your goodbye
You left me on the day after Christmas
There's nothing left to say, and so
Goodnight

There's nothing left to say, and so
Goodnight

Goodnight
