

## Darkside

Blink-182

She's a girl dressed in black from another world  
Lives and breathes like a girl from another world  
She don't know my name (She don't know my name)  
She don't have the time of day  
Celebrate, medicate 'til we numb the pain  
In the sun, it's still dark, like it always rains  
She don't feel the same (She don't feel the same)  
She don't have the time of day

And I wait, and I wait, and I wait  
And I wait, and I wait, and I wait  
And I wait for her  
And I wait, and I wait, and I wait  
And I wait, and I wait, and I wait  
And I wait for her

I don't care what you say, no  
I don't care what you do  
I'm goin' to the darkside with you  
I'm goin' to the darkside with you  
I don't care what you say, no  
I don't care what you do  
I'm goin' to the darkside with you  
I'm goin' to the darkside with you

She's a girl, I look back to what could have been  
Her cloak and dagger, mouth tastes like medicine  
She won't last the night (She won't last the night)  
Spun out in the neon light  
You would leave, but you need me to numb the pain  
You're possessed and you slept through another day  
You don't feel the same  
And I don't have the strength to stay

And I wait, and I wait, and I wait  
And I wait, and I wait, and I wait  
And I wait for her  
And I wait, and I wait, and I wait  
And I wait, and I wait, and I wait  
And I wait for her

I don't care what you say, no  
I don't care what you do  
I'm goin' to the darkside with you  
I'm goin' to the darkside with you  
I don't care what you say, no  
I don't care what you do  
I'm goin' to the darkside with you  
I'm goin' to the darkside with you

(Oh) I'm goin' to the darkside with you  
(Oh) I'm goin' to the darkside with you  
I don't care what you say, no  
I don't care what you do  
I'm goin' to the darkside with you  
I'm goin' to the darkside

I don't care what you say, no  
I don't care what you do  
I'm goin' to the darkside with you  
I'm goin' to the darkside with you

I'm goin' to the darkside with you  
I'm goin' to the darkside with you
