Don't leave me all alone
Just drop me off at home
I'll be fine, it's not the first
Just like last time, but a little worse

## Chorus

She said that I'm no the one that she thinks about and She said it stopped being fun, I just bring her down I said, "don't let your future be destroyed by my past." She said, "don't let my door hit you in the ass."

One more chance, I'll try this time
I'll give you yours, I won't take mine
I'll listen up, pretend to care
Go on ahead, I'll meet you there

## Chorus

Let's try this one more time with feeling one more time with feeling one more time with feeling one more time with feeling

## Chorus

Don't leave me all alone Just drop me off at home I'll be fine
