

In the car I just can't wait  
To pick you up on very first date  
Is it cool if I hold your hand?  
Is it wrong if I think it's lame to dance?  
Do you like my stupid hair?  
Would you guess that I didn't know  
What to wear?  
I'm just scared of what you think  
You make me nervous so I really can't eat

Let's go  
Don't wait  
This nights almost over  
Honest, let's make this night last forever  
Forever and ever  
Let's make this forever  
Forever and ever. Let's make this  
Last forever

When you smile, I melt inside  
I'm not worthy for a minute of your time  
I really wish it was only me and you.  
I'm jealous of everybody in the room.  
Please don't look at me with those eyes  
Please don't hint that you're capable of lies  
I dread the thought of our very first kiss  
A target that I'm probably gonna miss

Let's go  
Don't wait  
This nights almost over  
Honest, let's make this night last forever  
Forever and ever  
Let's make this forever  
Forever and ever. Let's make this  
Last forever

Let's go  
Don't wait  
This nights almost over  
Honest, let's make this night last forever  
Forever and ever  
Let's make this forever  
Forever and ever. Let's make this  
Last forever  
Forever and ever. Let's make this  
Last forever  
Forever and ever. Let's make this  
Last forever
