Go

Are we all victims of opportunity Locked outside the door back in '83 I heard the angry voice of the man inside And saw the look of fear in my mother's eyes GO GO GO GO GO GO GO GO I don't wanna know I don't wanna know

Mom get in the car and let's drive away She said I'm sorry Mark but there's nowhere to stay Gave up all her hope and went back inside Hid her broken heart and let the engine die

GO GO GO GO GO GO GO GO I don't wanna know I don't wanna know

Why do evil men get away with it Can't you see that I'm in a world of shit Turn your back on hope and go back inside Stop my bleeding heart and let the engine die

I don't wanna know I don't wanna know I don't wanna know I don't wanna know

I don't wanna know I don't wanna know I don't wanna know I don't wanna know
