

Going Away To College

Blink-182

1. Please take me by the hand
It's so cold out tonight
I'll put blankets on the bed
I won't turn out the lights
Just don't forget to
Think about me, and I
Won't forget you
I'll write you once a week she said

2. Why does it feel the same
To fall in love or break it off
And if young love is just a game
I must have missed the kickoff
Don't depend on
Me to ever follow through on
Anything but
I'd go through hell for you

R: I haven't been this scared
In a long time
And I'm so unprepared
So here's your valentine
Bouquet of clumsy words
A simple melody
This world's an ugly place
But you're so beautiful to me

3. I'll think about the times
She kissed me after class and
She put up my friends
I acted like an ass
I ditched my lecture
To watch the girls play soccer
Is my picture
Still hanging in her locker

R: I haven't been this scared
In a long time
And I'm so unprepared
So here's your valentine
Bouquet of clumsy words
A simple melody
This world's an ugly place
But you're so beautiful
(2x)
