

I saw you again  
I think you used me again  
Should we try this before we give up and move on  
And pretend to restore what we have and hold on  
At times like these  
It's obvious  
I saw you again  
I know you fucked him again  
Can you comfort yourself with a sense of revenge  
Are you leaving me here with the taste of the end

At times like these  
It's obvious  
At times like these  
It's obvious

I saw you again and again and again  
There's some room to move on, to move on, to move on  
And I saw you again and again and again  
How do we fix this if we never have vision

I saw you again and again and again  
There's some room to move on, to move on, to move on  
And I saw you again and again and again  
How do we fix this if we never have vision

I saw you again and again and again  
There's some room to move on, to move on, to move on  
And I saw you again and again and again  
How do we fix this if we never have vision

I saw you again and again and again  
There's some room to move on, to move on, to move on  
And I saw you again and again and again  
How do we fix this if we never have vision
