

# Sober

Blink-182

I know I messed up and it might be over  
But let me call you when I'm sober  
I'm a dandelion, you're a four-leaf clover  
But let me call you when I'm sober

Naa, na na na na na naaaaa  
na na na na na na  
Naa, na na na na na naaaaa  
na na na na na na

I woke up in the pouring rain  
West Side Humboldt 7am  
Sleeping by a dumpster to keep me dry  
With the radio on and a new black eye

Because I bet you couldn't knock me out  
And I guess you really got me now  
Black sedan ran a red light  
Just a drunken bike messenger on Tuesday night

I know I messed up and it might be over  
But let me call you when I'm sober  
I'm a dandelion, you're a four-leaf clover  
But let me call you when I'm sober

Naa, na na na na na naaaaa  
na na na na na na (when I'm sober)  
Naa, na na na na na naaaaa  
na na na na na na (when I'm sober)

She undressed and we stumbled downstairs  
Fell onto the table as the neighbors just stared  
We laughed out loud and smashed their lights  
Digging with our hands in the dirt outside

And she dragged me to the edge of town  
And she slapped me then she pulled me down  
I can do bad and you can do better  
Spending all night getting lost together

I know I messed up and it might be over  
But let me call you when I'm sober  
I'm a dandelion, you're a four-leaf clover  
But let me call you when I'm sober

Sober...  
Sober...

I know I messed up and it might be over  
But let me call you when I'm sober  
I'm a dandelion, you're a four-leaf clover  
But let me call you when I'm sober

Naa, na na na na na naaaaa  
na na na na na na (when I'm sober)  
Naa, na na na na na naaaaa  
na na na na na na (when I'm sober)

Naa, na na na na na naaaaa  
na na na na na na (when I'm sober)  
Naa, na na na na na naaaaa  
na na na na na na (when I'm sober)
