Strings

Blink-182

I would do anything and that's
What scares me so bad
Don't want to live my life alone
Don't want to go back to what I had

Don't want to spend my life without
All those special things
Don't want to walk around being tied to
Anyone else's

Strings, strings, strings, strings

I would do anything and that's
What scares me so bad
Don't want to live my life alone
Don't want to go back to what I had

Don't want to spend my life without
All those special things
Don't want to walk around being tied to
Anyone else's
