When I'm at work, ya, I always rush right home for lunch So I can check out what's up on the Brady Bunch And when I'm walking through the front door at night I gotta see who's winning on The Price is Right, oh

I never dreamed that I'd spend my days Staring at some tube emitting cathode rays I need my  ${\sf TV}$ 

What's happening in this world, I don't care at all But it better not pre-empt Monday Night Football I can't even come up with my own views
I'm taught how to think from the evening news, oh

I never dreamed that I'd spend my days Staring at some tube emitting cathode rays I need my  ${\sf TV}$ 

La la la...
