

1. And when the day ends I'm sure she feels sorrow
the lonely guy I am I wait for her to change
I've been here 2 days and I'll sure be here tomorrow
I'd eat her all if she were on my dinner plate and I wish

R: I wish she'd be more kind now
I'm out of luck cause the shades are pulled down
I've seen everything there is to be shown
I followed her all the way home

2. I can't be too cool in a tree with my pants down
the air is cold and I've got splinters in my feet
she caught me once but I don't think that she cares now
unlike before her view is now blocked by a leaf and I wish

R: I wish...

*: I bet this last time's the 1 time too many
the rush of waiting is burning through my head
right after supper her brother showers twice a week
he kicks my ass so much that filthy white inbred

3. I've made mistakes by looking in the wrong window
her dad is big and i have never seen his face
I've been here 2 days and I'll sure be here tomorrow
my lady's so sweet she likes to entertain and I wish

R: I wish...

*: I bet this last time's...
