

## Wishing Well

Blink-182

Been gone a long time  
I kinda lost my way, I can't find it  
And I caught a short ride  
To the grave and back this season  
I can try to get by  
But every time I start to panic  
I'm a little bit shy  
A bit strange and a little bit manic

La da da da, da da da da  
La da da da, da da da da da [2x]

I went to a wishing well, I sank to the ocean floor  
Cut up by sharper rocks, and washed up along the shore  
I reached for a shooting star, it burned a hole through my hand  
Made its way through my heart, had fun in the promised land

On the narrowing line, what a way to sort my troubles  
In a very short time, gonna pop, better duck and cover  
Can you figure me out? I got caught like a little kid stealing  
Did I say it too loud? A bit hard or a little misleading  
La da da da, da da da da  
La da da da, da da da da da [2x]

I went to a wishing well, I sank to the ocean floor  
Cut up by sharper rocks and washed up along the shore  
I reached for a shooting star, it burned a hole through my hand  
Made its way through my heart, had fun in the promised land

La da da da, da da da da  
La da da da, da da da da da [2x]

I went to a wishing well, I sank to the ocean floor  
Cut up by sharper rocks and washed up along the shore  
I reached for a shooting star, it burned a hole through my hand  
Made its way through my heart, had fun in the promised land
