

Myers Ten Thirty One

Blitzkid

All Hallows' Eve now the trick or the treat?
The kids think it's pretty neat.
I'm a ghoul, I'm a killer and I'm a friend,
And I just love to make them scream.
Whiteface mask and a butcher knife.
Catatonic taker of life.
No mind, no spirit and there's no soul.
My heart is frozen so cold.

O-ooo-o-way
Gonna kill and maim today
O-ooo-o-way
Don't step in my wayâ?!
Jack-O-Lantern sneers and it's gleaming,
A homicidal desire that needs its feeding.
Stab stab stab with no control,
Body left on the stiff ground to mold.
Whiteface mask and a butcher knife.
Catatonic taker of life.
Murdering on Hallows' Eve
It's devil's night and there is no reprieve.

(Life is fragile in my eyes,
I'm commin' home tonight.
