

10 Feet High

Blonde Redhead

If i could go away
I wouldn't go there
It's fine it's out
It's life
It's no surprise
If i were in love...
Don't care, just walk some miles
I kissed you on and on
And it's all wrong

To know that you are there
To turn you on
Again what could go wrong?
Take the eyes
I'd feed you on and on
And there's a song
If i were in love...
Don't care, just walk some back
