

# In An Expression Of The Inexpressible

Blonde Redhead

Anything that loose  
Would cancel itself  
Anything that loose  
Would fall off my bed

I knew that  
But I couldn't change it  
I made up my mind  
And changed my mind

Made up my mind  
And changed it  
Absence is good  
Empty is reassuring

Absence presence  
Submit to nothing  
I've made up my mind  
And changed my mind

Made up my mind  
And changed it  
Absence is good  
Empty is reassuring

Positive  
Negative  
Submit to nothing  
In an expression of the inexpressible

I'm deceitful  
I'm dreadful  
I'm lazy  
I'm vain and vile

Our rendezvous was run down
