

## Speed x Distance = Time

Blonde Redhead

Corrupt temptation  
speed x distance = time  
pain in my leg a needle  
pointing at neon

let go unfriendly kiss  
shedding my scales off  
spread, desire, disappear  
drank up my sweat  
and screamed that I  
never wrote to you

I know you don't have a girlfriend  
murdered old lady  
kick off kick slogan off  
don't pay me anymore

tell me tell me tell me  
that I woke up this morning  
kick off kick slogan off  
don't pay me anymore
