

Swing Pool

Blonde Redhead

Come Come turn around!!
Shake shake your love
Only you can be so cool
Only you can be so real
Do you feel the same ?
Do you want to start ?
Why should I be so sad ?
I want to touch you now

Not so fast
Don't cry so much
Put your arms in my words listen ?

Ah you're here
I want to know your song
Need your eyes your eyes are here
Touch me with your smile
Touch me with your hand
Why should I be so sad ?
I want to touch you now

Not so fast
Don't cry so much
Put your arms in my words listen ?

Come Come, turn around
Shake shake your love
Only you can be so cool
Only you can be so real
Do you feel the same ?
Do you want to start ?
Why should I be so sad ?
I want to touch you now
Not so fast Don't cry so much
