

## Swing Pool

Blonde Redhead

Come Come turn around!!  
Shake shake your love  
Only you can be so cool  
Only you can be so real  
Do you feel the same ?  
Do you want to start ?  
Why should I be so sad ?  
I want to touch you now

Not so fast  
Don't cry so much  
Put your arms in my words listen ?

Ah you're here  
I want to know your song  
Need your eyes your eyes are here  
Touch me with your smile  
Touch me with your hand  
Why should I be so sad ?  
I want to touch you now

Not so fast  
Don't cry so much  
Put your arms in my words listen ?

Come Come, turn around  
Shake shake your love  
Only you can be so cool  
Only you can be so real  
Do you feel the same ?  
Do you want to start ?  
Why should I be so sad ?  
I want to touch you now  
Not so fast Don't cry so much
