

# Already Naked

Blondie

I could tell that God was in the door  
November pushed us to the floor  
When our last rain fades  
We can still radiate

Remember all the time it took  
Remember how you gave me that look  
And it's not too late  
And it's not too late

Are you getting dizzy?  
Cause there's something in the water

Rewind, already naked  
Inside, sun on the pavement  
Feels like we could be dancing  
Tonight, maybe a chancer  
Rewind, already naked  
Inside, blood on the pavement  
Feels like we could be dancing  
Tonight, maybe a chancer

A stylizing interlude  
We can't be safe, nothing to prove  
But we'll be okay  
And the  
The richer ups and tumble sea  
The bed is there for you and me  
I've got all this time  
I've got all this time

Rewind, already naked  
Inside, sun on the pavement  
Feels like we could be dancing  
Tonight, maybe a chancer  
Rewind, already naked  
Inside, blood on the pavement  
Feels like we could be dancing  
Tonight, maybe a chancer  
Hey yeah yeah yeah...

Are you getting dizzy?  
Cause there's something in the water

Rewind, already naked  
Inside, sun on the pavement  
Feels like we could be dancing  
Tonight, maybe a chancer  
Rewind, already naked  
Inside, blood on the pavement  
Feels like we could be dancing  
Tonight, maybe a chancer[?]
