

# Heart Full of Soul

Blondie

Sick at heart and lonely,  
Deep in dark despair.  
Thinking one thought only  
Where is he tell me where.  
And if he says to you  
He don't love me  
Just give him my message  
Tell him of my plea

And I know if he had me back again  
That I would never make him sad.  
I have a heart full of soul.

He's been gone such a long time  
Longer than I can bear  
But if he says he wants me  
Tell him that I'll be there  
And if he says to you  
He don't love me  
Just give him my message  
Tell him of my plea.

And I know if he had me back again  
That I would never make him sad.  
I have a heart full of soul.
