

## In Love with Love

Blondie

In love with love.  
In love with a passionate heart.  
In love with love.  
In love even when we're apart.  
I wondered the difference of how it could last.  
I heard the celebration of champagne in glass.  
No wonder, it's no wonder why I'm in love with love.  
In love with a passionate heart.  
In love with love.  
In love with the form of the art.  
We love through the fighting of everyday life, of glass that gets broken and cuts like a knife.  
I wonder and I wonder why I'm in love with love.  
In love with a passionate heart.  
In love with love then on with the delicate march.  
Heart of fire.  
House of fire.  
In love with love.  
In love with a passionate heart.  
In love with love.  
On fire with a passionate heart.  
Ablaze with reflection, our hot house is set blazing with a flaming with a fire.  
It's so passionately racing with a chaser.  
It's so hard to keep my wits about me!
