

Look Good in Blue

Blondie

You look good in blue
It matches your skin, your eyes dripping with pain
Someone like you
Getting off on the lies 'cause it dulls your surprise again
If it's alright with you
I could give you some head and shoulders to lie on
You look good in blue
I know what you mean when you say you've seen the end
Someone like you
Been at it again, you knew what was up in the end
If it's alright with you
I could give you some head and shoulders to lie on

Throw your weight on me baby
Don't complain on me baby
Escape in me, next to me
I'm tired, always tired and I got no place to sleep
Don't mind dividing down the line
Can't say that I'm complaining 'cause I got no place to play, y
eah
Don't mind dividing down the line

You look good in blue
It matches your skin, your eyes dripping with pain
If it's alright with you
I could give you some head and shoulders to lie on
Yes, I could give you some head and shoulders to lie on
