

Platinum Blonde

Blondie

I wanna be a platinum blonde
Just like all the sexy stars
Marilyn and Jeane, Jayne, Mae and Marlene
Yeah they, they really had fun
In a luminous day-glo shade
Walk into a bar and I'll have it made
'Cause if that's all it takes; a double processed blonde
I wanna be a platinum blonde
I wanna be a platinum blonde
Be a platinum blonde

Yeah I even tried wearing a wig for a while
It was the right colour, but not the right style
Gonna get some peroxide at the beauty supply
See ya later

I wanna be a platinum blonde
Just like all the sexy stars
Marilyn and Jeane, Jayne, Mae and Marlene
Yeah they, they really had fun

Now if you need me on Sunday and you look twice and see
That platinum blonde is gonna be me
In a double processed luminous day-glo shade
When I get this colour I'll have it made in the shade
Oh, I hope I'm OK
I wanna be a platinum blonde
I wanna be a platinum blonde

Honey, I gotta, I gotta, I gotta, I gotta
I gotta be a platinum blonde
I gotta be a platinum blonde
I gotta be a platinum blonde
I'll hit the bottle baby
