

# Too Much

Blondie

It can't be  
You stole the keys from me  
You locked me inside my rumor gloom

It's too dark to think that I love you  
I think love you too much  
I love you to the much

Got to go  
Cause now I'm living standardized  
And I've been living  
Got to leave what I've been giving you  
Without your love

Got to go  
Cause now I'm living standardized  
And I've been living  
Got to leave what I've been giving you  
Without your love

I'm not free  
I can hardly breath  
You locked me outside my heart  
It's too dark to think that I love you  
I think I love you too much  
I love you to the much

Got to go  
Cause now I'm living standardized  
And I've been living  
Got to leave what I've been giving you  
Without your love

Got to go  
Cause now I'm living standardized  
And I've been living  
Got to leave what I've been giving you  
Without your love

You want me to be nothing  
You want me to be nothing  
Without you  
I love you to the much
