

# Union City Blue

Blondie

Oh, oh, what are we gonna do?  
Union, Union, Union City blue  
Tunnel to the other side  
It becomes daylight  
I say he's mine

Oh power, passion plays a double hand  
Union, Union Union City man  
Arrive, climb up four flights  
To the orange side  
Rearrange my mind  
In turquoise Union, Union, Union City blue  
Skyline, passion, Union City blue

Power, passion plays a double hand  
Union, Union, Union City man  
I say he's mine  
I have a plan  
I say he's my Union City man

Oh, oh, what are we gonna do?  
Union, Union, Union City blue
