

When I Gave Up on You

Blondie

When I gave up on you
I took my time
Waiting for reasons to
Change my mind
But there were none
Not even one
So it was clear to me
That we should be done
Even though it was breaking my heart
You were perfect at the start
So right
That's why

Goodbye
So hard to say
And that's the reason
I haven't already walked away, away

When I gave up on you
I gave up slowly
Waiting for reasons to
Keep us going
But there were none
Not even one
So it was clear to me
That we should be done
Even though it was breaking my heart
You were perfect at the start
So right
And that's why

Goodbye
So hard to say
And that's the reason
I hadn't already walked away, away
I tried
hard as I could
Sometimes people try
harder than they should

We were One on a million but now I see
One in a million wasn't good enough for me
We were One on a million
And you know it's true
We were One on a million
Wasn't good enough for you

When I gave up on you
I took my time
Waiting for reasons to
Change my mind
But there were none
But there were none

Goodbye
So hard to say
And that's the reason

I hadn't already walked away, away
I tried
hard as I could
Sometimes people try
harder than they should
than they should
