

Good Vibes Only

Blood On The Dance Floor

Hands up in the sky
If you're feeling pretty high, yeah
Nothing but good vibes
Nothing but good vibes

We all come alive
In the middle of the night, yeah
Everything's all right
Everything's all right

Hands up in the sky
If you're feeling pretty high, yeah
Nothing but good vibes
Nothing but good vibes

We all come alive
In the middle of the night, yeah
Everything's all right
Everything's all right

Throw your hands up
Everybody rage
Let me see you jump
And the ladies get cray

Bad bitches show me you a boss
Get the fuck down
When the beat drops
Kick the shit, just let it go

Just let it go!
Nothing but good vibes!
Just let it go!

Supreme pain
Bow down before greatness
Straight up
Imitators can't fake this

Go hard!
Yeah, we go hard!
On the couch
VIP with the porn star

East coast to west coast
Yeah I'm tearing shit up
Got a girl in every city
And they all don't give a fuck

From London to D.C.
Paris to Cali
Lord D Vanity
Higher up than royalty

More precious than a diamond
I'm one of a kind
Get down, let go

Have the time of your life

Red cup, fat blunts
Yeah we feeling good vibes
Turning it up, I'm too loud
Throw my hands in the sky

Throw my hands in the sky
Throw my hands in the sky
Throw my hands in the sky
Throw my hands in the sky

Throw my hands in the sky
Throw my hands in the sky
Throw my hands in the sky
Throw my hands in the sky

Hands up in the sky
If you're feeling pretty high, yeah
Nothing but good vibes
Nothing but good vibes

We all come alive
In the middle of the night, yeah
Everything's all right
Everything's all right

Hands up in the sky
If you're feeling pretty high, yeah
Nothing but good vibes
Nothing but good vibes

We all come alive
In the middle of the night, yeah
Everything's all right
Everything's all right

Put your hands up!
Just let it go!
Nothing but good vibes!
Just let it go!

Fuck around with this clamp
Getting dropped in this bitch like an 808
Make yo' hoes disappear
Smoking mirrors like them bitches disintegrate

Ain't no competition
As far as the eye can see
Even with a boost to see
Bitches couldn't step to me
