Shake it down like that  
Make that booty go clap  
Can't knock it, I'm profit  
Excuse me?

Rub those titties, super breast  
Knick knack patty whack  
Give a boy a heart attack

Move your feet, feel the heat  
Burning down this fascist street  
I'm packing, I'm stackin'  
Some rated X action  
Strawberry whip cream  
We can be sweet team  
Bang bang choo choo train  
Show me how you work that thing  
I don't step, I strut  
Turn that music blast up up up up

It's so hard to be a diamond in a rhinestone world  
You got my heart and it's beating for a girl

Will throw it up,  
Will throw it up,  
Go ahead and party it up
