

# Unchained

## Blood On The Dance Floor

I have the right to remain violent  
Anything you say will be used to silence  
So shut the fuck up with your BLAH BLAH BLAH  
Rip your face raw like Texas chainsaw

Born into a world that was turned against me  
I turned into something they never thought I'd be  
Fuck all this fame, you can have it back peace  
Put my middle finger up 'cause you don't own me

You try to say you're sorry for things you've done  
Try to play me like a fool, but I know I'm not one  
Try to trap me with your lies and accusations  
Fuck you bitch, I'm the freak of the nation

Here's a bag of dicks, no one gives a shit  
Go and run your mouth, take a knife to your clit  
If you're talking garbage, making my name tarnished  
Put my rep in bondage, rip it up like carnage

I'm unchained, insane in the membrane  
I'm on top of the motherfucking food chain  
I'm so high they can't find a tree for me to hang  
I'm on a mission and I'm looking for some putang

I'm cutting free from these shackles and all these chains  
Cut me loose from the noose, I need some Mary Jane  
Drop the crane on the haters to end my pain  
So I can drain all my bad blood in vain

Down and broken, bound by lock and key  
Shamed for who I am, modern slavery  
Revenge will have its day, I serve no one but me  
Let these chains fall away, I've been finally set free

I got this way just being me  
And now screaming fans are all I see  
I'm not afraid, I'm not ashamed  
I'm not your slave, baby I'm unchained

I'm having a rebel-ation  
With your mainstream fabrications  
'Cause I wasn't born in a manger, I was born in this nation  
I'm not a gift from God, and certainly not a spawn of Satan

but this dream, I'll keep on chasing  
For as long as you're hating  
No white flag will be waving  
'Cause the shit that you're saying

I'm a ticking time bomb just waiting to go off  
I'm the motherfucking trigger finger, on the hands of God  
I'll force feed you needles whether you hate me or not  
I'm vicious and I'm young and I can't be stopped

Try to lock me up, you can put me in a cage  
But this lion you see, will never be tamed

'Cause I've been crazy, since I dropped out the ninth grade  
With vacations to the looney bin before I was of age

Got beat down, running home on the first day  
Cops told me to wipe that evil smile off my damn face  
I laughed then 'cause I knew this would be the last time I cave  
And I never went back after that day

I moved on, got strong,  
Even changed my fucking name  
Well I may be Jayy Von now  
But Jeremy Brian's where I came

So give me the blame and break my chains  
I never said I wanted fame  
I'll do what I can to make a change  
But I'm not your slave, baby I'm unchained

I got this way just being me  
And now screaming fans are all I see  
I'm not afraid, I'm not ashamed  
I'm not your slave, baby I'm unchained

You can lock me in a cage  
You can lock me in a cage  
But I'll break free with my rage  
But I'll break free with my fucking rage

You can't hold me fucking down  
You can't hold me fucking down  
Like Dillinger, I'll break out  
Like Dillinger, I am fucking breaking out

I got this way just being me  
And now screaming fans are all I see  
I'm not afraid, I'm not ashamed  
I'm not your slave, baby I'm unchained
