Up All Night

Blood On The Dance Floor

```
Work it!
Shake it!
Love it!
Now dance it! (4x)

Drink! Drink! Drink!
And we're up all night!
Dance! Dance! Dance!
Till the early light! (2x)

We are the youth!
You are the rules.
We will break through!
There is nothing you can do. (2x)

Nothing you can do.
We will break through!
Nothing you can do. (2x)

Work it!
Shake it!
Love it!
Now dance it! (4x)

Drink! Drink! Drink!
And we're up all night!
Dance! Dance! Dance!
Till the early light! (2x)

We are the youth!
You are the rules.
We will break through!
There is nothing you can do. (2x)

Nothing you can do.
We will break through!
Nothing you can do. (2x)
