

## I Wanna C U

**Blood Orange**

I see you runnin' out the window  
Brain is runnin' like it's hidin' from the night  
Like it's somethin', I think it (I feel real)  
Brain is runnin' like it's runnin' from the night

I wanna see you  
And keep it in your home  
I wanna see you (Wanna see you)  
And keep it in your home  
I wanna see you (I wanna see you)  
And keep it in your home  
I wanna see you  
And keep it in your home  
And keep it in your home
