## Don't Ask

## **Blood Red Shoes**

Don't ask this time Don't ask the reasons why You started on two feet and ended on your knees

Taking all the cues from the past Build it into something that doesn't last Stake it on an empty threat Can you find the pieces to fit this yet? Because it looks like that you've got more to learn Because it looks like that you've got more to learn Because it looks like that you've got more to learn

Don't ask this time Don't ask the reasons why You started on two feet and ended on your knees

Don't ask this time, Don't ask the reasons why You started on two feet and ended on your knees

Fall into the safety of force Stretching out your hands to grasp A fragment of a hope to find I don't see a place left for you to climb Because it looks like that you've got more to learn Because it looks like that you've got more to learn Because it looks like that you've got more to learn

Don't ask this time Don't ask the reasons why You started on two feet and ended on your knees

Don't ask this time, Don't ask the reasons why You started on two feet and ended on your knees
