

## Forgive Nothing

## Blood Red Shoes

Is it just a passing phase?  
Do your methods change each day  
False are stating your reason claim  
No one's listening, what a shame

Oh, so, never mind  
Oh, so, never mind  
Oh, so, never mind  
Oh, so, never mind

The big intention's fallen flat  
So try to break your way out of that  
Create an image so contrived  
Nothing at your sad demise

Oh, so, never mind  
Oh, so, never mind  
Oh, so, never mind  
Oh, so, never mind

Never mind  
Is it just a passing phase?  
Do your methods change each day  
Forgiving nothing is being kind  
You turned your back and you left just fine

Oh, so, never mind  
Oh, so, never mind  
Oh, so, never mind  
Oh, so, never mind
