

# I Wish I Was Someone Better

## Blood Red Shoes

Made a mistake, I made a mistake  
I wear the scars to show my shame  
Made a mistake, I made a mistake  
I wear the scars to show my shame

What should I do? What should I do?  
When I'm the one who can't get through  
What should I do? What should I do?  
When I'm the one hey, I'm the one to blame

I can't see past this chance  
For us to reconcile these doubts!  
They've all gone on for far too long  
Yeah it goes on and on and on and on  
On and on and on and on

Made a mistake, I made a mistake  
I wear the scars to show my shame  
Made a mistake, I made a mistake  
I wear the scars to show my shame

What should I do? What should I do?  
When I'm the one who can't get through  
What should I do? What should I do?  
When I'm the one hey, I'm the one to blame.

Just not built for this role  
And all the time much better spent  
But it all drags on for far too long  
And it drags on and on and on and on  
On and on and on and on

Made a mistake, I made a mistake  
I wear the scars to show my shame  
Made a mistake, I made a mistake  
I wear the scars to show my shame

What should I do? What should I do?  
When I'm the one who can't get through  
What should I do? What should I do?  
When I'm the one hey, I'm the one to blame.

I wish I was someone better  
Made a mistake [x16]
