

I Wish I Was Someone Better

Blood Red Shoes

Made a mistake, I made a mistake
I wear the scars to show my shame
Made a mistake, I made a mistake
I wear the scars to show my shame

What should I do? What should I do?
When I'm the one who can't get through
What should I do? What should I do?
When I'm the one hey, I'm the one to blame

I can't see past this chance
For us to reconcile these doubts!
They've all gone on for far too long
Yeah it goes on and on and on and on
On and on and on and on

Made a mistake, I made a mistake
I wear the scars to show my shame
Made a mistake, I made a mistake
I wear the scars to show my shame

What should I do? What should I do?
When I'm the one who can't get through
What should I do? What should I do?
When I'm the one hey, I'm the one to blame.

Just not built for this role
And all the time much better spent
But it all drags on for far too long
And it drags on and on and on and on
On and on and on and on

Made a mistake, I made a mistake
I wear the scars to show my shame
Made a mistake, I made a mistake
I wear the scars to show my shame

What should I do? What should I do?
When I'm the one who can't get through
What should I do? What should I do?
When I'm the one hey, I'm the one to blame.

I wish I was someone better
Made a mistake [x16]
