

Don't Explain

Blood, Sweat & Tears

Hush now, don't explain
Just say you'll remain
I'm glad your back, don't explain

Quiet, don't explain
What is there to gain
Skip that lipstick
Don't cry, don't lie, explain

You know that I love you
And what love endures
All my thoughts of you
For I'm completely yours
Hurts to hear folks chatter
When they say you cheat
Right or wrong, don't matter
When you're with me, sweet

Hush now, don't explain
You're my joy and pain
My life's yours love
Don't explain
