

# I'll Love You More Than You'll Ever Know

Blood, Sweat & Tears

If I ever leave you  
You can say I told you so  
And if I ever hurt you babe  
You know I hurt myself as well

Chorus: Is that any way for a man to carry on  
D'you think he wants his little loved one gone?  
I love you Baby, more than you'll ever know  
More than you'll ever know

When I wasn't makin' too much money  
You know where my paycheck went  
You know I brought it home to baby  
And I never spent one red cent

I'm not tryin' to be  
Any kind of man  
I'm tryin' to be somebody  
You can love, trust, and understand  
I know that I can be, yeah yeah  
A part of you that no one else could see  
I just gotta hear, tohear you say  
It's all right  
Yeah, yeah, yeah!

I'm only flesh and blood  
But I can be anything that you demand  
I could president of General Motors baby, heh  
Or just a tiny little grain of sand

If I ever leave you  
You can say I told you so  
And if I ever hurt you baby  
You know I hurt myself as well

I love you, I love you, I love you baby!  
Well all right!  
I told ya, so many times before  
I love you  
I love you!  
If you don't know, then I'll tell ya one more time  
I love you!  
I love you!
