

Redemption

Blood, Sweat & Tears

Toil and labour on the Ark, Noah, God meant it
Scorn and pity's all the world around, you'll ever know
Rain and thunder in the dark, Noah, God sent it
Sing redemption everywhere you go
Praise the Lord, he has led you, Noah

Thirst and hunger on the rock, Moses, God gave you
Pain and sorrows all the world around, you'll ever know
Fire and fury in the cloud, Moses, God save you
Sing redemption everywhere you go
Praise the Lord, he has led you, Moses

Cold and hungry in the ground, Joseph, God left you
Greed and hatred's all the world around, you'll ever know
Pull your coat of colours round, Joseph, God blessed you
Sing redemption everywhere you go
Praise the Lord, he has led you, Joseph

Oh Joseph!
