

## Same Old Blues

### Blood, Sweat & Tears

Well I heard that rumour that's going around?  
You got a business, way across town  
It's the same old story, tell me where does it end?  
Well I heard the news, it's the same old blues again

Well I wrote you a letter, you must have read it wrong  
Stood in your doorway but you were long gone  
It took a lot of time to let the telephone ring  
It's the same old blues, same old blues again

When you gave me the business, well didn't mind  
'Cause I've got a lot of patience and I got a lot of time  
It's the same old story, tell me where does it end?  
With the same old blues, same old blues again

Gonna find me a mountain, I'm gonna hide out  
I ain't talking to you and I ain't coming out  
'Cause I heard that rumour, tell me where does it end?  
I heard the news, it's the same old blues again

Wow yes, maybe have you heard thee blues again  
Have you heard that rumour, tell me where does it end?  
With the same old blues, the same old blues again

Same old blues, I got the same old blues, yeah  
Same old blues, I got the same old blues, yeah  
Oooo oo same old blues, yeah

Tell me baby, why I got the blues
