

Black Devil

Bloodbound

I'm the king of the skulls and bones
Over sticks and stones
My return from the living dead
I'm your fear and dread
I am restless and wild
Getting crazy when I'm lost inside
Feel the dark taking form
Prepare for the lunar storm
I'm the black devil
Black devil yeah
I'm the black devil
Cause the night has a thousand eyes
I'm the black devil
All I know when I see you cry
From the evil eye
Never seen in the light of day
Like a bird of prey
I am restless and wild
Getting crazy when I'm lost inside
Feel the dark taking form
Prepare for the lunar storm
I'm the black devil
Black devil yeah
I'm the black devil
Cause the night has a thousand eyes
I'm the black devil
I'm the black devil
Black devil yeah
I'm the black devil
Cause the night has a thousand eyes
The night has a thousand eyes
I'm the black devil
