Bless the Unholy

Bloodbound

The devils heldhound scenting you he's on his way He's gonna hunt you like a prey You better run before the light will turn to dark Cause soon you'll hear his evil bark Before the lightning strikes you The demon will fall Bless the unholy You can feel life is slipping away Bless the unholy Close your eyes at the end of the day Time to pray The heaven sent cannot protect you from the beast He's not an exorcist or priest Condemned in darkness with the sentence on it's way The day of reckoning now pray Before the lightning strikes you The demon will call Bless the unholy You can feel life is slipping away Bless the unholy Close your eyes at the end of the day Bless the unholy You can feel life is slipping away Bless the unholy Close your eyes at the end of the day Time to pray
