

## In for the Kill

Bloodbound

In the darkest of hours  
When the ending is near  
I pray for a sign  
To be free of the fear  
Now my journey has ended  
And my time here is done  
The axis align  
And the reaper has come  
Nothing but loneliness  
Behind the doors of heaven  
Feeling the emptiness  
Leaving the past behind  
Rise to the lord  
In the land of the dead  
Where the stars  
And the sun never shines  
Fight to be free  
By the hand I have bled  
Now in for the kill  
Rise to the lord  
Of the wicked and wild  
Where the dusk  
And the dawn never ends  
Fight to be free  
From the unholy child  
Now in for the kill  
I can see the horizon  
Flashing before my eyes  
A tunnel of light  
Like a bridge in the night  
It's the last time you'll see me  
There is no need to cry  
A sinner was born  
Now he's leaving the light  
Nothing but loneliness  
Wait for me I am dying  
Feeling the emptiness  
Leaving the past behind  
Rise to the lord  
In the land of the dead  
Where the stars  
And the sun never shines  
Fight to be free  
By the hand I have bled  
Now in for the kill  
Rise to the lord  
Of the wicked and wild  
Where the dusk  
And the dawn never ends  
Fight to be free  
From the unholy child  
Now in for the kill  
In the darkest of hours  
When the ending is near  
We rise to the lord  
In for the kill
