

Mr. Darkness

Bloodbound

Let me tell you about an evil story
Let me tell you my friend
Had a vision of a new tomorrow
With a perfect end
The mind of a crazy madman
Is taking you over
A venomous snake inside your brain
Mr. Darkness
He's the voice deep inside of you
Mr. Darkness
He's in everything you do tonight
Mr. Darkness
I'm infected by a hellish fever
I can walk with the dead
In a prison of eternal sorrow
Lost inside my head
The mind of a crazy madman
Is taking you over
A venomous snake inside your brain
Mr. Darkness
He's the voice deep inside of you
Mr. Darkness
He's in everything you do tonight
Mr. Darkness
Mr. Darkness
He's the voice deep inside of you
Mr. Darkness
He's in everything you do
He's in everything you say tonight
Mr. Darkness
