

## Mr. Darkness

**Bloodbound**

Let me tell you about an evil story  
Let me tell you my friend  
Had a vision of a new tomorrow  
With a perfect end  
The mind of a crazy madman  
Is taking you over  
A venomous snake inside your brain  
Mr. Darkness  
He's the voice deep inside of you  
Mr. Darkness  
He's in everything you do tonight  
Mr. Darkness  
I'm infected by a hellish fever  
I can walk with the dead  
In a prison of eternal sorrow  
Lost inside my head  
The mind of a crazy madman  
Is taking you over  
A venomous snake inside your brain  
Mr. Darkness  
He's the voice deep inside of you  
Mr. Darkness  
He's in everything you do tonight  
Mr. Darkness  
Mr. Darkness  
He's the voice deep inside of you  
Mr. Darkness  
He's in everything you do  
He's in everything you say tonight  
Mr. Darkness
