

## Sign of the Devil

**Bloodbound**

The last of immortals  
The last of his kind  
No roses upon his grave  
The Spell has been broken  
Has come to an end  
There's nobody left to save  
Should I live or should I die  
End the circle black the sky  
Sign of the devil  
He's been calling out your name  
Sign of the devil  
The Deliverer of pain  
Sign of the devil  
He will make you go insane  
Sign of the devil  
Say your prayers and I'll see you in hell  
The angel of heaven  
The monster of hell  
You're taking this life I grave  
Depraved in denial  
The ending is near  
Withheld from he blood you crave  
Should I live or should I die  
End the circle black the sky  
Sign of the devil  
He's been calling out your name  
Sign of the devil  
The Deliverer of pain  
Sign of the devil  
He will make you go insane  
Sign of the devil  
Say your prayers and I'll see you in hell
