Sign of the Devil

Bloodbound

The last of immortals The last of his kind No roses upon his grave The Spell has been broken Has come to an end There's nobody left to save Should I live or should I die End the circle black the sky Sign of the devil He's been calling out your name Sign of the devil The Deliverer of pain Sign of the devil He will make you go insane Sign of the devil Say your prayers and I'll see you in hell The angel of heaven The monster of hell You're taking this life I grave Depraved in denial The ending is near Withheld from he blood you crave Should I live or should I die End the circle black the sky Sign of the devil He's been calling out your name Sign of the devil The Deliverer of pain Sign of the devil He will make you go insane Sign of the devil Say your prayers and I'll see you in hell
