

## The Ones We Left Behind

Bloodbound

United here we stand  
We sacrificed  
The ones we left behind  
Forgive me for my sin  
I can't deny  
The ones we have forsaken  
The memories fade to grey  
An empty shell  
Their time will never come  
The vision in my mind  
Is clear to me  
I don't know how to save you  
United here we stand  
We sacrificed  
The ones we left behind  
Forgive me for my sin  
I can't deny  
The ones we have forsaken  
You're walking through darkness  
With fear in your mind  
Through fire and flames  
I am calling your name  
My life is eternal  
And judas must die  
The wind and the rain  
I will show you the way  
Whenever the curtain will fall  
I hear you calling  
[repeat chorus]  
My legion is holy  
No tears in their eyes  
With sorrow and pain  
There is no one to blame  
Whenever the curtain will fall...  
[repeat chorus]
