## Farting With A Walkman On

## **Bloodhound Gang**

I know you're gonna play me when you get wind I heard you're full of shit so I've been duped again But if you cover your ass with the same old song You might as well be farting farting with a Walkman on

I know you're gonna play me when you get wind I heard you're full of shit so I've been duped again But if you cover your ass with the same old song You might as well be farting farting with a Walkman on

I know you're gonna play me when you get wind I heard you're full of shit so I've been duped again But if you cover your ass with the same old song You might as well be farting farting with a Walkman on

Give me a fuckin' break
