

# Legend In My Spare Time

Bloodhound Gang

Ashes to ashes and funks to funky  
Daddy Long Legs is a mean ass honky  
And Jimmy Pop ain't no heiny hobbit gaybe  
Ain't no big meaty chunks in my thick brown gravy  
'Cause I'm the Loch Ness the Loch Ness the Loch Ness Monster  
Jerry's Kids are knockin' at my door could you be a sponsor?  
Tiny Bubbles in my tub pull my finger Lawrence Welk  
If you wanna look like Rocky Dennis better drink your milk  
When I'm feeling oriental I gotta rub my chin  
Gonna hold my water in like I'm Gunga Din  
So have a taste of my bass 'cause the girlies got smiles  
You're gettin' on my case like "The Rockford Files"  
Crazy Eddie in the slammer 'cause he's givin' it all away  
John Boy in the barn with a horse in the hay  
No rhyme no reason no job no class  
And we don't go near the ghetto 'cause they'd shoot our ass

Go go yeah yeah huh what?  
I'm a legend in my spare time

Go go yeah yeah huh what?  
I'm a legend in my spare time

Go go yeah yeah huh what?  
I'm a legend in my spare time

Go go yeah yeah huh what?  
I'm a legend in my spare time

If you ain't ever been to the suburbs, don't you ever come to the suburbs, 'cause you wouldn't understand the suburbs.

'Cause I'm a huskin' a huskin' a huskin' your corn  
I'm as deep as the plot to a gay porn  
So uh-oh Spaghetttios I forgot to hide away the body  
I know that she's a hottie but damn that girl could party  
So come to me mama it ain't no crime  
I'm the skilled love doctor growlin' "What's your sign?"  
I did the Flaming Waffle with Ho Chi Minh  
Your girl's a dollar bill we don't know where she's been  
J.F.K.'s head is a puzzle and your woman needs a muzzle  
Barbara Eden in the bottle and now I'm gonna guzzle  
You're too what? shy shy huh what?  
Hush hush yeah I knew why  
'Cause we're playin' the Palladium you can't get on "Star Search"  
Daddy Legs standin' tall he can do the funky lurch  
And Jimmy Jimmy Pop is short for Jimmy Jimmy Popular  
You know I know you know you're not the tough guy that I thought you were

Go go yeah yeah huh what?

'Cause I wop bop a loo bop  
Ha cha cha chatch  
Come lick my balls  
Viva la my crotch  
'Cause your daddy thinks I'm lazy your mama thinks I'm crazy  
But neither of them know that you are carryin' my baby  
And I'm the Amos I'm the Andy I'm the sticky Aunt Jemammy  
I gave you mouth to mouth like Resuscitation Annie  
It takes two of us to do this like Dean Martin Jerry Lewis  
And your throat is swollen gloryholin' ya blew us  
George Burns' pacemaker beats steady slow and low  
That's why we got more hits then a dealer at a Dead show
